POWERPACK

Drive	Diesel/Hydraulic
Type	CAT C18 ACERT
Power	563kW @2000rpm
Cooling	Turbo Aftercooled
Hydraulics	Rexroth pumps & drives

CRUSHER

Type	Mag Impact 2700 VSI
------	---------------------

FEED HOPPER

Volume	6m ³
Hydraulic folding side walls	
Vibrating feed channel	

SCREENBOX

Double Deck 20 x 6 Screen	
---------------------------	--

CONVEYORS

Main Discharge Conveyor	
10500mm x 1400mm	
Feed Conveyor	
7000mm x 1200mm	
Remote Control of Feed Conveyor	

CONVEYORS

Cross Conveyor	
650 x 2400mm	
Stockpile Conveyor	
650mm x 8000mm	
Return Conveyor	
650 x 9000mm	
Hydraulic folding	

FEATURES & BENEFITS

- Remote control for feed channel & driving
- Metal detector
- Return conveyor can be swivelled 180°hydraulically by turntable
- Crusher deliver case with hardox lining
- D7 Chain Tracks

TRANSPORT DIMENSIONS

Length	27900mm
Width	3400mm
Height	3850mm
Weight (approx.)	95 Tonne (approx)
